

TCA MONTHLY AUGUST 2022

TRI-COUNTY AUTO SUPPLY COMPANY

TRI-COUNTY AUTO SUPPLY COMPANY – AUGUST

VP105 – A/C ODOR ELIMINATOR

As this seemingly never-ending heat wave continues, making it feel like we're living on the surface of the sun, now is the perfect time to make sure your customers' A/C systems are running as efficiently as possible. TCA has just the product to do that. Using Valvoline's proprietary formula, the VP105 is specifically designed to counteract foul odors caused by mold, mildew, and fungus. Utilizing the easy-to-use aerosol can, simply spray the VP105 into the air intake vents in the cowl and your customers will be left with a pleasing spearmint fragrance any time they use their A/C.

But that's not all. You can also choose to enhance the service by offering one of TCA's most popular custom-made kits, the VP105-9150. The second component of this kit, FJC9150, is a high-performance refrigerant additive that is compatible with any system that uses R134A freon. Adding this product to a vehicle's A/C system has a proven list of benefits including:

- Lowering duct temperatures by up to 15%
- Extending compressor life and removing moisture
- Improving overall performance and speeding up A/C cooling
- Compatible with both PAG and Ester oils

It's clear to see that this A/C system service kit is essential in keeping your clients cool and comfortable as the summer heat rages on. For more information on pricing and availability contact your sales representative or visit our website at www.shoptca.com.

CHRISTMAS IN JULY SUCCESS!

On behalf of Santa Claus and the TCA team we'd like to take a moment to thank all our valued customers for making last month's Christmas in July event one of the most successful to date. The savings passed along to our clients this year was unmatched, and we are looking forward to expanding the product offerings and discounts next year. As always, your continued support and patronage is greatly appreciated.

**TCA is proud to announce we've continued our monthly donations to St. Jude Children's Hospital and Shriners Hospitals for Children*

VPS SERVICE PLUS LIMITED LIFETIME GUARANTEE

Starting on September 1, 2022, Valvoline will be making several changes to their VPS Service Plus Limited Lifetime Guarantee program. The changes to this program are outlined below. It is important to note any and all services performed up to and including August 31st will be eligible for coverage with the current VPS Limited Lifetime Guarantee program.

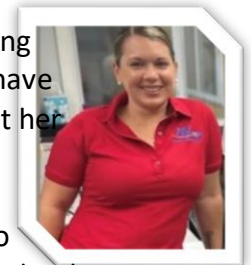

Summary of Changes:

- Updates to product names and part numbers
- Inclusion of the new 15k CVT Vehicle Restoration Kit
- Updated labor reimbursement rate:
 - From "Manufacturer Warrant Labor Rate" to "Service Center Labor Rate"
- Retirement of legacy and discontinued product from the VPS Limited Lifetime Warranty program
- Inclusion of discretionary information requests from Valvoline surrounding claims submittals
 - "Valvoline may in its sole discretion require additional information, explanation, photos, etc. regarding component(s) in question."
- Inclusion of discretionary request surrounding replacement parts
 - "Valvoline may in its sole discretion require that all replacement parts be of new or remanufactured condition."

Feel free to contact your sales representative today with any questions or concerns about the upcoming changes to the program.

AUGUST MILESTONES

This August marks two significant work anniversaries here at Tri County Auto Supply. Owner/General Manager Tatiana Santiago celebrates her 19th year working at TCA. Having started here as part of a high school co-op program, Tatiana's hard work and dedication have elevated her to the top of Tri County. We wouldn't be the company we are today without her leadership and experience. We wish you many more years of success here with us.

Purchasing manager and newsletter editor-in-chief Phil Peraino also celebrates his 9th year at Tri County this month. In this writer's completely unbiased opinion Phil continues to perform adequately in this increasingly difficult purchasing landscape of supply chain shortages and rampant inflation. I like to think everyone here at TCA wishes him many more years of success as well.

**Welcome aboard Mariano Rivera Honda. We look forward to building a prosperous partnership with you.*
