JULY 2022

TRI-COUNTY AUTO SUPPLY COMPANY

TRI-COUNTY AUTO SUPPLY COMPANY - JULY

HAPPY INDEPENDENCE DAY !

Tri County Auto Supply would like to take a minute to wish everyone a happy and healthy 4th of July. As we gather with friends and loved ones to celebrate our nation's independence, remember the men and women who fought for the freedom we are enjoying today.

**TCA will be closed Monday, June 4th in observance of the holiday. No deliveries will be made.*

GNYADA GOLF CHARITY

Back in April we took some time to highlight an organization that holds a special place in our hearts, the Gnyada Golf Charity. For those that don't remember Gnyada's main focus is to raise funds to help develop,

teach, and train individuals who are interested in becoming automotive service technicians. As a member of the automotive industry we understand how important this organization is.

On June 20th Gnyada held their annual golf outing at the Fresh Meadow Country Club and we are proud to report three members of the TCA team were able to participate in the event; President Gary Finkelstein, General Manager Tatiana Santiago, and sales rep

Zach Finkelstein. They were also joined by Valvoline's Regional Sales Director Ray Mullen and Territory Business Manager Greg Spencer. With our renewed focus on giving back to the community this year TCA is very pleased to be able to show our support to this noble cause and help raise the funds necessary for them continue their mission, all while having some fun on the golf course. If you're interested in learning more about this charity or making a donation visit www.gnyadagolfcharity.com. In addition to Gnyada's recent golf outing, TCA has continued making monthly donations to St. Jude Children's Hospital and Shriners Hospital.

13 YEARS AND COUNTING

This July marks Office/HR manager Therese Tweet's 13th year working at Tri County Auto Supply. Not only does she manager both these departments, she is also the head of the accounting team. Needless to say she is an invaluable member of the TCA team. Please join us in congratulating her on everything she has accomplished over the past 13 years. We wish you many more years of success with us.

CHRISTMAS IN JULY

After some intense negotiations this year, TCA was able to convince Santa Claus to make his second consecutive trip to deliver unbelievable savings to all our valued customers during the annual Christmas in July blowout. Luckily his sleigh runs on magic, not gasoline, otherwise he wouldn't have been able to afford to make the trip this year.

This year's Christmas in July promo will work similarly to how it has in years past. Starting July 1st fliers will be available detailing how to participate in the promo as well as the special pricing included in this year's sale. See the list below for the product offerings of this year's event:

- Valvoline Professional Series Chemicals
- Garbage Can Liners
- Absorbent Pads
- 3M Wheel Weights
- Diamond Grip Latex Gloves
- Service Drive Supplies
- Face Masks & Hand Sanitizer

Make sure to get your orders together as soon as possible to maximize your savings during the promo. For more information on pricing or how to participate in the program contact your sales representative or call our main office at 973-625-7708.

ROBINAIR AC MACHINES

TCA has recently received a shipment of the Robinair 34788NI R134A recovery machines. If you're interested in purchasing one of these brand-new machines contact your sales representative today for more information.

**Welcome aboard to our two new clients, Edison Infiniti and Hyundai of South Brunswick.*
