

TCA MONTHLY MARCH 2023

TRI-COUNTY AUTO SUPPLY COMPANY

TRI-COUNTY AUTO SUPPLY COMPANY – MARCH

SPRINGTIME SPECIALS

While it might not feel like it, Spring is right around the corner. As we normally do here at TCA, to celebrate the end of winter, we have a few new Spring specials we're thrilled to share with all our valued clients.

Can Liners – With Spring coming up quick that can mean only one thing, spring cleaning. Even though it can be necessary at times to get rid of the old and make room for the new, we don't know of a single person on Earth that enjoys doing it. So why not contact your sales rep for more information on our full garbage bag line to make your life a little easier? We carry multiple can liners of varying sizes, thicknesses, and colors to meet all your waste disposal needs.

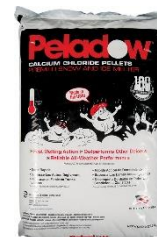

Batteries – A necessity in every dealership. Whether they're going into smoke detectors, car remotes, shop tools, or anything in between TCA can supply just about any type of battery you could ever possibly need. Contact your sales rep today for pricing and availability on our full line of batteries.

DEF Totes – One of Tri County's main focal points this year is expanding and enhancing our bulk oil offering. Recently we have been able to add another product to this line to help meet customer demand, bulk diesel exhaust fluid. Similarly, to the regular bulk oil system, TCA can now have DEF delivered directly to your location in refillable plastic totes. Contact your sales representative today for more information on this new program and never worry about running out of diesel exhaust fluid again.

Ice Melt – Even though it's that time of year when the weather begins to break there's still plenty of time for another surprise snowstorm. Luckily TCA still has some ice melt available to combat any late season snow fall. We're currently offering the Peladow calcium chloride at an end-of-season blowout price of \$19.99 per bag while supplies last. Contact your sales rep or our main office 973-625-7708 to place an order and make sure you're ready for whatever mother nature throws at us.

TCA HAPPENINGS

As the seasons begin to change and we start to come out of our long winter hibernation, this is the time of year when TCA really “springs” to life again. That sentiment rings especially true this year as there have been a lot of new exciting goings-on here at TCA.

Another One Bites the Dust – While this first piece of news is not terribly exciting, it is worth noting. After years of service, February marked the end of sales representative Katie Chadwick’s tenure at Tri County Auto Supply. Since her first day working at TCA all those years ago, Katie brought a level of professionalism and dedication that could not be matched. Her top priority was always making sure all of her clients needs were met, and her commitment to doing so was truly admirable. While we are sad to see her go, we are very thankful for the time she spent at Tri County. On behalf of everyone here at TCA, we’d like to wish you good luck in all your future endeavors.

Valvoline’s Top Rep – Switching gears to something a little more positive, we’d like to take a moment to congratulate Zach Finkelstein on being named one of Valvoline’s top sales representatives of 2022. Every year Valvoline holds a contest to determine the top sales reps all throughout the country. The winners are treated to a vacation at varying locations depending on the year. Due to all of his hard work last year Zach earned the right to be called one of Valvoline’s best, and will be rewarded with a trip to Austin, Texas. Congratulations on this achievement, you deserve it.

Speaking of Zach, March also marks his second year as a full time employee at Tri County. As we just mentioned, Zach has quickly come into his own as a sales representative and has become one of TCA’s most valued employees. He is a constant example of how to properly serve customer needs and we are thankful to have him on the team.

Charitable Contributions – The new year is in full swing, and so are Tri County’s charitable donations. As most of you are aware at this point, last year we started making monthly donations to St. Jude Children’s Hospital, Shriners Hospital, and Tunnel to Towers. This year we will be continuing our monthly donations as well. All three of these organizations do wonderful work in their respective fields and we are proud to be able to help them continue that work.

Shriners Hospitals
for Children™

St. Jude Children's
Research Hospital
Finding cures. Saving children.

Tunnel to Towers Foundation
T2T.ORG

****We’re excited to announce the newest member of the TCA team, Audi of New Rochelle. Thank you for coming on board, we look forward to a long and prosperous relationship.***
