TRI-COUNTY AUTO SUPPLY COMPANY

## TRI-COUNTY AUTO SUPPLY COMPANY - NOVEMBER

### HAPPY THANKSGIVING!!

The holiday season is upon us. With Thanksgiving rapidly approaching now is the perfect time to take a moment to reflect and give thanks for all that we have. 2021 has been a tough year for everyone in the industry as the pandemic continues, inflation is on the rise, and supply chain shortages have made procuring product increasingly difficult. Even with all these new challenges and obstacles we here at TCA still have much to be thankful for. All of TCA is eternally grateful to each one of our clients that have stuck by us both professionally and personally during these trying times. We wouldn't be where we are today without each and every one of our valued customers. On behalf of team TCA, we wish you and your families a happy and healthy Thanksgiving.

We'd also like to extend a thank you to all of the staff here at Tri County Auto Supply. Your hard work and dedication have been invaluable assests in helping TCA achieve it's goals this year. Each one of you has become an integral part of the team and we look forward to seeing what can be accomplished in 2022. We hope you and your families have a wonderful holiday.

## TCA Happenings

We here at Tri County Auto Supply take great pride in our knowledgeable sales team. Knowing all of the ins and outs of this business is no easy feat, but it's what allows our sales reps to go above and beyond our customer's expectations. We are proud to announce the newest addition to our sales team, Zach Finkelstein, has recently completed the Valvoline service chemical training program. We are confident this new-found knowledge will aid you in providing unmatched service to our clients.

### And The Winner Is...

Over the past few days TCA has received countless submissions for our annual pumpkin carving contest. Each submission had it's own unique spin on this timeless tradition and we would like to thank everyone who took

the time to participate this year. There were many great entries but unfortunately there can only be two winners.

This year Tri County Auto Supply's champion pumpkin carver is office manager Therese Tweet, for her spooky skeleton and Spider- Man mask. As for the client entries, this year's winner is James from Plaza Auto Mall. Congratulations to our winners.

### Bulk Oil

Recently TCA has begun making a serious push to expand our bulk oil line of products. Now is the perfect time to allow us to perform a free price scope on your current needs to help minimize the headaches of dealing with case goods and drums.
