TRI-COUNTY AUTO SUPPLY COMPANY - JULY 2021

HAPPY INDEPENDENCE DAY!!

Tri-County Auto Supply would like to take a minute to wish everyone a happy and healthy 4th of July. As we gather with friends and loved ones to celebrate our nation's independence, remember the men and women who fought for the freedom we are enjoying today.

**TCA will be closed Monday July 5th in observance of the holiday and no deliveries will be made.*

CHRISTMAS IN JULY

Unfortunately, due to international quarantine laws, Santa was unable to make his yearly trip to deliver unmatched savings to all of TCA's valued customers last July. TCA is happy to announce that Santa has recently received his second Covid vaccine so we will be resuming our Christmas in July promo this year! Below is a list of all the product lines that will be included in this year's event:

- Absorbent Pads
- Valvoline Professional Series Chemicals
- 3M Wheel Weights
- Can Liners
- Microflex Disposable Gloves

For more information on pricing and how to participate in the program, please contact your sales representative or call our main office at 973-625-7708.

VALVOLINE PROFESSIONAL SERIES CHEMICALS

As one of its largest distributors in the United States, there is a reason TCA has staked its reputation on the Valvoline Professional Series line of service chemicals. Since its founding all the way back in 1866, Valvoline has become an industry leader in the automotive field. Years of research and development have allowed Valvoline to produce quality products to protect vehicle systems and maximize operational life. These chemicals will give your dealership the ability to improve service, increase customer satisfaction, and add value to your business. By allowing TCA to review your current service chemical program today, we are confident we can provide your dealership with high quality products, great savings, and attentive representation. For more information contact your sales representative or visit www.shoptca.com.

CONGRATULATIONS ON 12 YEARS!

Please join us in congratulating office manager/bookkeeper Therese Tweet on 12 years of service here at Tri County Auto Supply. Since joining TCA back in 2009, Therese has become an irreplaceable member of the Tri County Team. Whether she's helping to solve HR issues or making sure all of the accounting work is handled properly, we are truly thankful to have her here. We wish you many more years of success with us.

TCA HAPPENINGS

We would like to extend a warm welcome to Westchester Toyota as they become TCA's newest VPS customer. We are excited to have you as part of the team and look forward to continuing to strengthen our business relationship.

In these still difficult times giving back to the community has never been more important. Recognizing this importance, this past month President Gary Finkestein donated to several Go Fund Me campaigns in the area supporting local schools and friends fighting battles with cancer.
