### IT'S THAT TIME OF YEAR AGAIN: ICE MELT SEASON

The days of summer winding down and the cooler weather is quickly approaching. With supply chain shortages on just about every product line now is the time to make sure you are prepared for the incoming cold weather. Starting in September and running through the end of October, Tri County Auto Supply will begin taking preseason orders for rock salt and calcium chloride. Both offer unique benefits, and both are essential to keep your dealerships clear of snow and your customers safe this winter. Contact your sales representative today to ensure you don't miss out on the unmatched preseason ice melt prices.

In addition to ice melt, TCA carries various winter tools that are necessary for any snow removal job. We have everything from snow rakes, shovels, and salt spreaders to ice choppers, scrapers, and brushes. Contact your sales rep or visit [www.shoptca.com](http://www.shoptca.com) for more information.

## SEPTEMBER CELEBRATIONS

This September is a big month here at Tri County Auto Supply. We'd like to take a moment to celebrate a few very important milestones.

**Gary Finkelstein** – September marks the beginning of Gary's 36<sup>th</sup> year at TCA. Having started in the warehouse he was able to work all the way to the top as sole owner/president. Gary's dedication to serving all of Tri County's customers, no matter how big or small, is truly unmatched. There is no question his leadership and determination are two of the biggest reasons for TCA's decades of continued success. We wish you many more years as one of the captains of the TCA team.

**Zack Finkelstein** – We are excited to announce that starting in September, Zack will be transitioning to his new role as a full-time sales representative. Zack has been working towards this new position since joining TCA and we are very confident he will be able to provide our customers the best representation possible.

**Lisa Qarmout** – Sales rep Lisa Qarmout will be leaving Tri County at the end of August to pursue another career opportunity. We will always be grateful for her hard work and commitment to our customers during her tenure at TCA. We wish you all the best in your future endeavors.

**Lauren Finkelstein** – September also marks the return of sales rep Lauren Finkelstein from maternity leave. TCA is happy to welcome her back. We look forward to seeing what you will accomplish while being back on the team.

### Welcome Aboard!

Tri County Auto supply is excited to welcome two new customers to the team, United Ford and Bayridge Honda. We look forward to cultivating a successful business relationship for years to come.

We would also like to take a moment to congratulate Lexus of Manhattan and Volvo of Edison on moving into their brand new state of the art facilities.

## A Day of Remembrance

This September will mark the 20<sup>th</sup> anniversary of the 9/11 terrorist attacks. To honor those who had fallen on that tragic day TCA will be observing a moment of silence at 8:46 am on September 11<sup>th</sup>. As we look back and reflect on how the world has changed in the past 20 years it is more important than ever to appreciate what brings us together as citizens of the greatest country on earth.
