December 2016

TRI-COUNTY AUTO SUPPLY COMPANY

*At the holiday season, our thoughts turn gratefully to those who have made our progress possible. It is in this spirit that we offer our thanks and best wishes for the holidays and happy New Year.*

*Tri-County Auto Supply*

## ALL NEW! Expanded Coverage to 150,000 Miles!

### Improved VPS Limited Lifetime Warranty

NEW! Expanded Coverage to 150,000 Miles

#### Best of the best!

- Four levels of coverage
- Coverage up to 150K miles
- Pays up to \$4,000 for component coverage
- Best turn-around time for claim processing in the industry

#### Available December 1, 2016

Level 1	Coverage Up To \$4,000	First Service Before 50,000 Miles
Level 2	Coverage Up To \$2,000	First Service Before 100,000 Miles
Level 3	Coverage Up To \$1,000	First Service Before 125,000 Miles
Level 4	Coverage Up To \$500	First Service Before 150,000 Miles

#### Significant covered parts changes include:

- **Automatic Transmission and Additive Services:** The VPS Service Guarantee applies to the lubricated parts contained within the automatic transmission housing or case including solenoids. The transmission housing is covered only when damaged by an internally lubricated part that is covered under the VPS Service Guarantee. Leaking transmission seals and gaskets are not covered.
- **Cooling System and Additive Services:** The VPS Service Guarantee applies to the heater core, water pump, freeze plugs, radiator and thermostats. Hoses, clamps, reservoirs and engine components are not covered.
- **Fuel and Additive Services:** The VPS Service Guarantee applies to Fuel Injectors, oxygen sensors, PCV and throttle body (only malfunctions due to deposits).

#### Get the Details!

- Contact your Account Representative for detailed Point-of-Sale Materials on the new program. Materials will be available in December.

## FEATURED SERVICES!

### ALL New VPS Performance Maintenance Kits

**Easy to Install – Great for Quick Lanes – VPS Limited Warranty**

TCA is excited to announce two new kits that will complement the new VPS Limited Lifetime Warranty! These services are composed of additives that when performed every 15,000 miles will maintain the Valvoline Professional Series Limited Lifetime Warranty! That's a 15K interval to gain up to 4K in warranty coverage on your major components! They are perfect Quick Lane upsells and easy to perform. Please contact your Account Representative for pricing.

- **VPS 4-Part Core Coverage Kit** – Covers Fuel, Engine, Cooling and Transmission Systems under VPS Lifetime Warranty (15K). Contains:

- VPS Complete Fuel System Treatment (679741)
- VPS Top Treat Oil System Cleaner (806221)
- VPS Cooling System Additive/Water Pump Lubricator & Protector (VP004)
- VPS Automatic Transmission Additive/Protector, Conditioner & Sealer (VP093)

- **VPS 3-Part Core Coverage Kit** – Covers

Fuel, Engine, and Cooling Systems under VPS Lifetime Warranty (15K). Contains:

- VPS Complete Fuel System Treatment (679741)
- VPS Top Treat Oil System Cleaner (806221)
- VPS Cooling System Additive/Water Pump Lubricator & Protector (VP004)

### **Crushproof Tubing Flush Mounted Tailpipe Adapter**

Perfect solution for flush mounted tailpipes! It's industrial-grade suction cup will stick to any vehicle without damaging the finish. It holds the adapter over the tailpipe, creating a capture shroud.

**Adapter with Suction Cup- \$99.95**

**Y-Assembly Kit with Adapter- \$298.99**

*Kit Includes: (2) 4FT hoses, (1) Y adapter, (2) Tailpipe adapters*
